“ Sis. Linda Muhammad was the most humble spirit I've met in years. I meet this beautiful sister by way of my daughter Rebecca Muhammad from Phoenix, Arizona who too me to look out for my sister. My daughter described Sis. Linda Muhammad spirit before she made her exodus here to Baton rouge, La. Secondly, I met her in person by way of her marriage to Bro. Min. Rashid Muhammad our Minister at that time at Mosque #65. I began go bond with her spirit. This was an Angel sent to share Allah's wisdom and her experience through traveling with our Big Bro. Jabril Muhammad. May Allah be pleased with your works Beloved Sister.

“ Brother Rashid, Brother Jackie and Kimberly and the family, it is easy for others to say "be comforted" when you are grieving. I want you to be comforted but also know that, Sister Linda, your wife, mother, bonus mother to Brother Rashid's four children, sister, mother-in-love, grandma and daughter had an impact on our lives. Brother Rashid thank you for opening your home and heart to allow others to laugh with, share memories with, and love Sister Linda. Thank you for being her daily support and rock during the various season's in her life. You were always gracious, graceful and courageous. Thank you. Jackie, there is nothing more beautiful than that bond between a son and his mother. Allah God perfectly matched you guys. Your gaze, your touch, your gentle caresses of her hand said more than words ever could about the love you shared. Your life will be fruitful because of how you loved and cherished and honored your Mother. To the bonus children her marriage to Brother Rashid blessed her with; Aadilah, Ahmed, Hasan, Rashad, we have seen how you supported your Father and Sister Linda. You gave love and respect your highest priority. You were in her life during this season for a reason.

In the days that have passed and those to come, I have reflected on what I will most cherish about Sister Linda and the most precious gift her life left me And, that is

strength. The most precious gift she allowed me to give her was love. My life, as yours will too, will be forever impacted by hers. I will cherish the memories I had the privilege to make with her and I always believe in the power of our ability to impact each other with our faith, words, touch, prayers. friendship, family and love.
